POST-CONSTRUCTION CLEANING

Just imagine, after construction is complete, returning to your Crystal clean home. Your kitchen is sparkling clean, beautifully made beds, and freshly mopped floors. After relaxing on crisp bed sheets, you wonder why you hadn't hired a cleaning service before! Our Crystal Cleaning team will come post-construction, so you can return home to an environment you enjoy. If you're in need of a thorough, post-construction clean, we can help!.

LIVING ROOMS

- We start by removing any construction debris from the room, such as nails, screws, and wood chips.
- Use a vacuum cleaner with a HEPA filter to remove dust from floors, walls, and ceilings. We will cover with our powerful vacuum all hard-to-reach areas.
- Wipe down surfaces with a damp cloth or microfiber cloth, such as countertops, shelves, and windowsills.
- Clean any light fixtures and ceiling fans with a soft-bristled brush or vacuum cleaner attachment.
- Clean the air ducts and vents to ensure good indoor air quality.

THE BATHROOM

- includes the toilet, sink, shower, and bathtub. We use a disinfectant cleaner to kill any germs or bacteria.
- we clean any ventilation fans or exhaust vents, which can collect dust and debris.
- Also clean the toilet, bathtub, and shower.
- Wipe down the sink and faucet with a non-abrasive cleaner.
- We clean the mirrors and windows with a glass cleaner.
- We clean the grout between tiles with a grout cleaner.

THE KITCHEN

- Clean all appliances
- Cabinets and Countertops
- Clean exhaust fans or range hoods
- Clean the backsplash
- Clean tiles behind the stove and sink
- Clean all baseboards and inside windows.
